**Owner's Comments:** Fabuleux is a Class I stallion who successfully completed his 100-Day Test in Adelheidsdorf, where his exceptional scores included walk 9, trot 9, canter 10, temperament 9, rideability 9 and willingness to work 9. He received the outstanding dressage score of 130.45 points. Fabuleux's sire is the renowned Fabriano, Champion of his 100-Day Test, and acclaimed as one of the very few stallions on the Hanoverian Verband's *Topliste* for siring both outstanding dressage and jumping qualities. Fabuleux's dam, SPS Auguste, was an immensely successful broodmare producing four States Premium mares and another licensed stallion, all full siblings to Fabuleux. She represents six generations of States Premium mares. Fabuleux's offspring are exceeding expectations in dressage and jumping, and are highly praised for their outstanding trainability and rideability. Fabuleux has sired dozens of Top Foals and Premium foals. They have won numerous Get of Sire classes at major shows nationwide. He has sired numerous Elite Mare Candidates, high-scoring mares and top AHS inspection tour mares (2008-2011). Fabuleux is DNA tested homozygous for black pigment. Foals will be black, bay or brown in the absence of modifying genes. Fabuleux is approved GOV, ISR/Oldenburg N.A. (enrolled in the Star Award Program) and CSHA.
